President's Message

Dear BOND members,

BOND's Mission

Through Education, Service and Philanthropy, BOND, a non-profit organization offers its members opportunities for intellectual pursuits, community service, social interaction, and philanthropy.

The biggest part of our role and MISSION within the community is providing scholarships to deserving applicants who look to realize their potential through higher education and training. Over the summer, representatives from BOND will meet with staff at Jewish Family and Children's Service of Minneapolis to review these applications and help provide much needed support for education. The realization that every person has a story and is fighting a battle none of us will ever know anything about, is an inspiration to me. Not only do these stories spark my enthusiasm to strive to do more for these applicants, but they also highlight their courage, humility, ambition, and fearlessness to pursue their dreams while working through difficult obstacles.

I am proud and honored to be your BOND President. Thank you for giving me the opportunity to help lead BOND.

My best to all of you, Saralee Mogilner 952-935-2156 or saraleem@comcast.net
